

## DECLARATION OF PEACEFUL STANDING & LIVING INTENT (Affidavit)

I, \_\_\_\_\_, a living man/woman walking in honor and truth, make this declaration so that it may be known:

1. I am not a corporate identity, citizen, nor subject of any imposed construct.
2. I walk under the guidance of Source/Creation, in peace with all who do no harm.
3. I choose to live by agreements of the heart (intentions), not contracts of commerce.
4. I honor giving and receiving through real expressions of care, energy, and substance.
5. I no longer participate in systems that use debt, force, or illusion to govern life.
6. I make this known in full transparency so none and/or no thing may presume authority over me.

Signed in peace on the \_\_\_\_ day of \_\_\_\_\_, **20**.
