

Value Of Freedom Token & The Circle of Freedom

*An Invitation to step beyond and Co-Create
a World that supports Life and Nature*

This is a rare opportunity to transform our world!
There comes a time when we no longer wish to
complain about the state of the world — but to
transform it. This is that time. This is that invitation.

If you've ever felt the ache of disconnection... If you've ever known deep down that
money doesn't reflect true value... If you've longed for a peaceful, caring world where
contribution is honored, not commodified...

Then what you are about to read is not just information — it is a **turning point**.

The **Circle of Freedom is a "Living Exchange"** it is a sacred initiative — a peaceful
pathway — by and for the Living Men and Women to step beyond commerce and into a
new reality of shared value, care, and transformation. It is not just for you. It is for the ones
you love. For your children. For Nature herself. This is the invitation that transforms the
world through how we exchange — **together**.

Maybe you always knew something Benevolent wants to come forth through YOU;

- You've felt it — something inside you longing to create good in the world.
- You've given your gifts freely, but struggled to receive with the same grace.
- You've worked hard, and still felt disconnected from meaning.
- You've witnessed nature exploited, relationships strained, and value reduced to numbers.

The launch of a **Freedom Token** is not about blame — it is about evolution! We are
remembering what it means to exchange as Living Beings. The economy we've inherited
was a stepping stone. Now, we step beyond it. The Circle of Living Exchange was born
not to resist the old — but to reveal the new.

What is "A Circle of Freedom and Living Exchange"?; It is an agreement of the Living Men and Women to exchange value under natural law.

- as a token of appreciation and/or gratitude.

What is the Circle of Living Exchange and what this is not;

This Is...	This Is Not...
A sacred exchange in the private domain	A financial product or public asset
Rooted in Natural Law and consent	Regulated by statutory law or government agencies
Facilitated through mutual respect	Controlled by force or imposed authority
A fixed-token system (1 billion only)	Inflationary fiat money printed at will
Peaceful, voluntary, and private	Taxed, tracked, or enforced
A tool for transformation	An investment scheme
Aligned with care, community, and Nature	Bound to competition, debt, and separation

The Circle of Living Exchange is about a new way of exchange between Living Beings. The Value Of Freedom Token serves the sacred exchange.

The Value Of Freedom Token circulates in the Private! This **Value Of Freedom Token** is not fiat currency. It is not speculative. It is not for sale in the economy. It is a witness to your intent, a symbol of your care and appreciation, a vessel of your truth.

Did You Know? Fiat currency is legal tender and by using it, you conform to the rules and statutes set by a government or legal system.

Alternative / Invitation: The Value Of Freedom Token facilitates Circles of Freedom which are rooted in Natural Law, offering a peaceful and truthful alternative outside of statutory jurisdiction and the legal system.

What Is the Value Of Freedom Token?

The **Value Of Freedom Token** is a digital expression of sacred exchange that exists in the **private domain** among Living Men and Women.

It is founded on **Natural Law**, which says: do no harm, stand in truth, honor your word. It is:

- Digitally transferred from one private wallet to another
- Rooted in mutual honor and care, not profit, not income
- Based on a fixed, unchanging supply of **1 billion Tokens**

- Issued and/or brought into circulation through the **Circle of Freedom (Private Assembly Agreement /PAA)** — not by any bank or government

Each **Value Of Freedom Token** represents the energy of care, the presence of witness, and the dignity of being seen. It grows in value as more Living Beings choose to step into the **Circle of Freedom** and walk this path of the Living Men and Women.

Did You Know? Your signature on a loan creates the credit — not the bank.

Solution: When you step into the Circle of Freedom, your consent creates value — but this time, it benefits you and your community, not the banks or any other third party institutions.

How It Works (At a Glance)

1. **You align with the intent** of the Circle of Freedom and read the “Living Exchange Accord” (See addendum)
2. **You change fiat** for the **Value Of Freedom Token**:
 - The portal opens on April 27th 2025
3. **Value Of Freedom Tokens** are transferred to your private wallet
 - After the portal opens, to be purchased via your Phantom Wallet
4. **You offer and/or receive** with others in peace, dignity, and mutual care
5. **You witness value grow** — not just numerically, but energetically
6. This is not commerce. This is care made visible.

Did You Know? Commerce depends on silent consent!?

Solution: In the Circle of Freedom, all exchange is conscious, voluntary, and rooted in clarity. There is no hidden contract — only visible agreement among the Living (The Living Exchange Accord).

Why the Circle of Freedom is different (and so needed now);

Unlike the economy, which is built on scarcity, competition and profit which causes fear, the Circle of Freedom is built on:

- **Honor** instead of price
- **Peaceful exchange** instead of commercial regulation
- **Trust** instead of contracts
- **Natural value** instead of (artificial) inflation

Did You Know? Almost every fiat currency in history has collapsed to zero.

Solution: The **Value Of Freedom Token** cannot be inflated. With a fixed amount of 1 billion tokens ever created, value is preserved and grown through real connection & exchange, not market speculation.

The Circle of Freedom and use of the Value Of Freedom Token is a **win-win-win**:

- A win for the Living Being who receives support and care
- A win for the giver who is finally seen and expresses appreciation and/or gratitude

- A win for the Earth who is no longer exploited by corporations, legal fictions & entities but nurtured by Living Beings.

The Living Men and Women participating and supporting the Freedom Circle exchanging value through the Value Of Freedom Token are not resisting. We are **remembering**. We are not fighting. We are **forming**.

This is the new way. And it begins with your yes.

Did You Know? You can withdraw your consent and step into the private domain.

Alternative / Invitation: By joining the Circle of Freedom and using the **Value Of Freedom Token**, you reclaim your authority, step into peaceful standing, and exchange value in honor.
